Workplace Safety - EAP - Health

Reduce Risk, Stay Visible, Save Money!

These workplace posters are a vital safety and promotional strategy stay visible, reduce risk, and save money.

This product gives you the ability to create an unlimited number of posters by using MS Word or MS Publisher. Instructions easily show how to edit the 18 starter posters that are included with the kit and obtain high quality photos with two clicks FREE from Microsoft -- a capability available to any Windows user!

Get started with 18 great looking posters. Use them, or take your own great ideas and edit the templates in minutes. You will have workplace health and safety or EAP posters forever!

- ◆ Print more posters or new posters at anytime.
- ◆ With the editable option, follow the easy instructions to change photos and messages on the posters to reflect your own creativity, target key issues in your organization, or add your own expertise.

Incredible Features

- ◆ Make your posters target safety, health, wellness, or any topic you choose. If you are an EAP consider depression, anger management, or reducing violence in the workplace.
- ◆ For safety and health professionals, have your posters focus on "thinking safety", avoiding short cuts, wearing proper equipment.
- ◆ HR managers and Shop supervisors, consider reducing foul language, harassment, replacing or theft of tools, time theft, attendance problems, team thinking, and much more.
- ◆ High quality. Professional appearance. High impact.
